To: Mr. T. E. Reilly  
FROM: P. L. Lewis  
SUBJECT: City of St Louis Park

cc Mr R J Boyle

Supplementing my long hand letter to you of March 1970 under the subject of Louisiana extensions, please find attached a copy of the letter received from Mr. Charles City Manager requesting a meeting with Comptax representatives. Mr. R. J. Boyle was contacted concerning a feasible reply, as you were reported on vacating.

On Monday, March 23rd, I met with Mr. T. Reinsdorf of Page & Reinsdorf to talk over a possible meeting with the City Council. His recommendation was that I attend the meeting with us if we decide to go along with Mr. Charles request. Mr. Reinsdorf thought it was that no commitments of any kind should be made, but rather find out what the City may want to propose.

Yours truly,  
P. L. Lewis
